The Future of
Supply Chain

PREMIER | Contracted Supplier

NOW
INTERACTIVES

FDA REGISTERED PRODUCTS

MADE IN TURKEY

THE FUTURE OF SUPPLY CHAIN IS NOW

VISION

To become the largest and most-trusted Black-owned and woman-owned, sourcing, manufacturing, and distribution company in the world that expands opportunities for a growing diverse workforce.

MISSION

NOW Interactives aims to disrupt the global supply chain industry by leveraging the Buy American Act and Trade Agreement Acts to source, produce and distribute products through innovative channels and trade routes that reach our customers quicker than competitors.

PASSION

NOW Interactives is passionate about educating and creating equitable opportunities within the global supply chain industry for the Black and brown communities, while being a trusted diversity supplier for our valued partners.

OUR STORY

Founded in 2015, NOW Interactives is a certified minority-owned and woman-owned sourcing, manufacturing and distribution company based in Miami, FL, with a diverse team spread across the US and Europe. NOW boasts a company full of resourceful problem solvers, savvy salespeople, and an astute customer service team that produce effective solutions for each client, without compromising on quality, service, or integrity.

Trusted by government agencies, retailers, hospitals, and private corporations worldwide, NOW Interactives disrupts the supply chain industry

by leveraging the Buy American Act and Trade Agreement Acts to source, produce, and distribute products through innovative channels and trade routes that reach our customers quicker than competitors. Offering a vast list of products from medical supplies and cleaning solutions to lithium-ion material and electric vehicle batteries, NOW Interactives is constantly expanding product offerings to serve a growing client base in a changing world—where resources have become scarce, and demand has swelled.

NOW is proud to be DAPA certified, FDA registered, GSA approved, and hold over 8 minority and small business certifications, which position us within the private and government sector as a premiere diversity supplier. We give ourselves the competitive edge by maintaining a highly experienced and diverse team, which allows us to compete with some of the country's top suppliers to serve the US military, Walgreens, and Baptist Health among others. NOW's success is rooted in commitment to our core values that emanate within our team and resonate with our valued clients and partners, serving as the backbone for our continued growth.

Ethics and Compliance – NOW Interactives leverages Buy American Act (BAA) and Trade Agreement Acts (TAA) to source, produce, and supply products through innovative channels and trade routes. As an FDA registered and GSA approved company, NOW Interactives is committed to only working with factories and vendors that are also compliant to uphold the integrity of the business and provide the best products and solutions for our customers.
